Inspected on: _____

- 1. Temporary advertising signs may be placed at public locations and private property with the permission of the private property owner.**

- 2. No sign shall exceed 18 inches by 24 dimensions.**

- 3. There shall be a one-hundred-dollar (\$1.00.00) fee paid for this permit. In addition, there will be a one-dollar (\$1.00) fee charged for each temporary sign placed within the Township, through the Zoning Officer, at the time of application, prior to any signs being placed. These fees are non-refundable.**

- 4. These signs will be permitted to be displayed for a maximum of twenty-five (25) days. A five-hundred-dollar (\$500.00) deposit will be paid to the Zoning Officer by the applicant prior to any signs being placed. If any of the signs are still displayed after the twenty-five days (25), the Township will remove and destroy them. If all the signs are removed within the twenty-five-day (25) time frame, the five-hundred-dollar (\$500.00) deposit will be returned to the applicant.**

- 5. The applicant will be issued a permit number to be placed on the sign, along with the date as it appears on the application. Failure to do so will negate the return of the five-hundred-dollar (\$500.00) deposit.**

- 6. Application for the permit for each sign shall be made to the Zoning Officer on a form promulgated by the Zoning Officer.**

- 7. No sign shall be placed on any tree, telegraph, fences, electric light, or public utility pole, or upon rocks or other natural features.**

- 8. Only signs announcing an event sponsored by a Lakewood Township- based nonprofit organization are permitted.**
